

Our Spring 2016 Newsletter

Welcome, welcome spring, and all the pleasant wonder that follows you in! In Michigan, we get small notes that springtime has arrived, with tiny green buds waking from the chilly earth, and warm breezes settling our hearts that spring has indeed happened. Then, as soon as the thrill begins, inevitably, the temperature drops, and frost covers our lawns and fields. Thankfully, the chill is brief, as the sun quickly and happily melts the last signs of winter. This back and forth rhythm is not unusual here, and I believe, actually helps us appreciate this intoxicating season that much more; or, until the wavering, yet charming spring season finally settles in before summer whisks it away!

Like much of the world, I am not sure there is anything more delightful then seeing spring unfold its many layers of magical change to nature and all walks of life. New fauna, flora, and fresh beginnings for all seem ever more possible with the arrival of glorious spring! With it, new opportunities, new adventures, and new enlightenments may arise right before our eyes, keeping the faithful promise that spring indeed is the season to embrace for change! In our case, Sweetie-licious has many new menu items to introduce this spring. I couldn't be more excited, as our product development team has come up with some AMAZING new treats, including a delicious gluten free option! Keep checking Facebook, our website and the shops for the celebratory release of these Sweetie-licious vummies!

Keep the lightness of spring in your mind, and the deepness of faith in your heart!

Eat pie, love life! xoxo Linda
